Sir:

Applicants petition the Commissioner to acknowledge the filing date of February 16, 2000 for the above-captioned matter.¹ To facilitate consideration of this petition, Applicants submit a copy of the original filing.²

Applicants note that the date of the filing, as indicated by the typewritten date of the postcard was February 16, 2000. This date is confirmed by the transmittal documents submitted with the original filing. It appears that the date stamp used by the Office of Initial Patent Examination (OIPE) to acknowledge receipt of the application was defective in some way as the date apparently reads "February 6 **00." Applicants submit that this postcard clearly acknowledges receipt by OIPE of the application, and suggest that the date stamp may not have been fully inked as the first two digits of the year are nearly illegible. In any event, the postcard clearly indicates that the application was received by OIPE in February 2000.

The above-identified application was deposited by courier with the United States Patent and Trademark Office on February 16, 2000 (Exhibit 1). Because Applicants never received a Filing Receipt, Applicants' representatives made several telephone calls to the United States Patent Office starting in November of 2000 concerning the status of the application. In addition, Applicants' representative directed a letter concerning the status of the application to Mr. S. Hill in the

Mr. Hill indicated on January 11, 2001, that he did not receive the prior facsimile and requested the facsimile be resent (Exhibit 3). To date, Mr. Hill has not responded.

Several additional attempts were made to identify another individual at the United States Patent Office who could assist. Applicants' representative directed a letter on April 2, 2001, concerning the status of the above-captioned application, to Ms. Delora Dillard, Branch Director of the Office of Initial Patent Prosecution (Exhibit 4). The letter, transmitted via facsimile on April 2, 2001, went unanswered and was resent on May 17, 2001. When contacted on May 21, 2001, Ms. Dillard indicated that she did not receive the earlier facsimiles. Copies of the earlier facsimiles were retransmitted on May 21, 2001 (Exhibit 5). As no response to the letter was received, Applicants' representatives again contacted Ms. Dillard by telephone during May. At this time Ms. Dillard indicated that she believed the application should be resubmitted.

In view of the above, Applicants petition the Commissioner to acknowledge the application the filing date of February 16, 2000.
